

Porterhouse Medical Ltd

Porterhouse Medical Ltd is a specialist medical communications agency working with some of the biggest pharmaceutical companies in the world, helping them to connect with a global audience of healthcare professionals and increasingly knowledgeable patients. The company has seen continued growth over the past decade and has recently secured new business wins on both a global and national level. This success has culminated in Porterhouse Medical being recognised with the Queen's Award for Enterprise 2016 – the UK's highest accolade for outstanding achievement in business.

Account Manager

We are currently looking for an Account Manager to join our busy accounts management team. The successful candidate will be a competent individual with a proactive and creative approach to account management, who is skilled at coordinating multiple projects. Key duties will include:

- Proactively driving projects forward and seeing them through to completion in a timely manner
- Developing an understanding of new therapeutic areas quickly and comprehensively, inspiring confidence with clients
- Development of business proposals and contribution to strategic direction of projects
- Working closely with clients and healthcare professionals to understand their needs and deliver high-quality materials
- Keeping track of scope and budgets to ensure any issues are communicated to clients
- Guiding junior members of staff.

If you have 3 or more years' experience in an agency environment and would be interested in finding out more about our career offerings, please email your CV with a covering letter to careers@porterhouse.biz.
